- (3) He must, *unless he has spent at least five years as a student-teacher under sub-section iii.,* have spent at least one year of probation as a teacher at a recognised school (not being an elementary school) and must satisfy the registration authority that he has shown fitness for the teaching profession.
4. A person shall be entitled to be placed on Column B of the register if at any time within four years from the establishment of the registration authority he makes application to be so placed, and fulfils the following conditions:—
- (1) He must have obtained a degree conferred by some University of the United Kingdom, *or have obtained a recognised degree conferred by some other approved University,* or must show to the satisfaction of the registration authority that he has obtained one of the diplomas or certificates, or has passed one of the examinations mentioned in Appendices A and B to these regulations, or has attained some other approved standard of general education; and

- (ii.) have passed the examination for one of the diplomas or certificates in the theory and practice of teaching mentioned in Appendix C to these regulations, and produce evidence satisfactory to the registration authority of experience in teaching (other than teaching in an elementary school or teaching of a purely elementary character) extending over a period of not less than three years.

Provided that a headmaster or headmistress of a recognised school (not being an elementary school) shall be entitled on application to be placed on Column B of the register without fulfilling the above conditions, if the applicant has held the office for at least one year previous to the date of his application.

5.—(1.) The registration authority may place on Column B of the register the name of any person who does not fulfil all the conditions of registration but who, in their opinion, would have fulfilled all the necessary conditions but for the fact—

- (a) that part of the period of his study or training was spent in an approved course of study or training at a foreign university, college, or school, or
- (b) that part of the period of his study, training, or probation was spent in original research certified to have been conducted under proper supervision and to the satisfaction of the registration authority.

(2.) The registration authority may, if they think fit, at any time within three years from the establishment of the registration authority, place on Column B of the register the name of any person who does not fulfil all the conditions of registration but who has either—

- (a) in their opinion, proved himself to be an exceptionally qualified teacher; or (b) has had experience extending over a period of not less than ten years of teaching (other than teaching in an elementary school or teaching of a purely elementary character), and has in their opinion shown ability to teach.

(3.) The registration authority shall report to the Board every three months the name of every person registered under this regulation and the grounds of his registration.

Supplemental Registers.

6. There shall be annexed to the register supplemental registers of teachers of music, drawing, physical training, manual

instruction, cookery, needlework, and such other special subjects as may be from time to time approved.

A person shall be entitled to be placed on a supplemental register if he produces evidence satisfactory to the registration authority—*

- (ii.) that he is competent to teach the subject, and
- (iii.) that he has taught the subject for a period of not less than two years.

A person may be placed on one or more than one supplemental register whether he is or is not placed on the register.

The form of a supplemental register shall be the same as that of the register except that Columns A and B shall be omitted.

7. A person whose name is placed on one or more of the supplemental registers, but not on either column of the register, shall not be entitled to describe himself as a registered teacher without also indicating the supplemental register or registers on which his name is placed.

Any person proved to the satisfaction of the registration authority to have wilfully so described himself shall be liable to have his name removed from any supplemental register on which it is placed, and shall not be entitled for a period of two years to have his name placed on any register of teachers.

General.

8. In the case of any person applying to be placed on Column B of the register, or any supplemental register, the registration authority may, if they think fit, and after giving the applicant an opportunity of being heard, refuse to register him on the ground that his moral character renders him unfit to be employed as a teacher.

9. The registration authority may at any time remove from Column B of the register, or from any supplemental register the name of any person proved to their satisfaction, and after such person has had an opportunity of being heard, to have been guilty of felony or misdemeanour or of conduct unbefitting a teacher.

10. Every person applying and qualified to be placed on Column B of the register, or on a supplemental register, shall, before he is so placed, pay to the registration authority the sum of twenty-one shillings. A further fee of two shillings

and sixpence shall be paid by a teacher registered on Column B before any additional qualifications or experience is recorded on the register or any supplemental register.

11. No fee shall be payable for placing a person on Column A of the register, but if any person so placed applies to have registered any qualifications and experience other than those required by the Board from certificated teachers, he shall, before any such qualification or experience is recorded, pay the sum of two shillings and sixpence.

12. In approving or recognising a degree, diploma, certificate, examination, or other standard of education, for the purpose of Column B, or in recognising an institution for the purpose of training, or in approving subjects for a supplemental register, the Board shall act after taking the advice of the consultative committee.

13. The registration authority shall from time to time and at least once every year present a report of their proceedings to the Board together with their observations on the working of these regulations.

14. The register and every supplemental register shall be published annually, and shall be open at any reasonable time to public inspection on the payment of the proper fee, and any person shall, on payment of the proper fee, be entitled, to take copies of and make extracts from the register and any supplemental register, and to have delivered to him extracts from any such register certified by the registrar to be true.

The fees for the purpose of this regulation shall be such as may be fixed by the registration authority with the approval of the Board.
